Great vessels of the thorax, model

1 Name this artery.

2 Name this vein.

3 Name this vein.

4 Name this artery.

5 Name this artery.

6 Name this artery.

7 Name this vein.

8 Name this vein.

9 Name this arterial arch.

10 Name this vein.

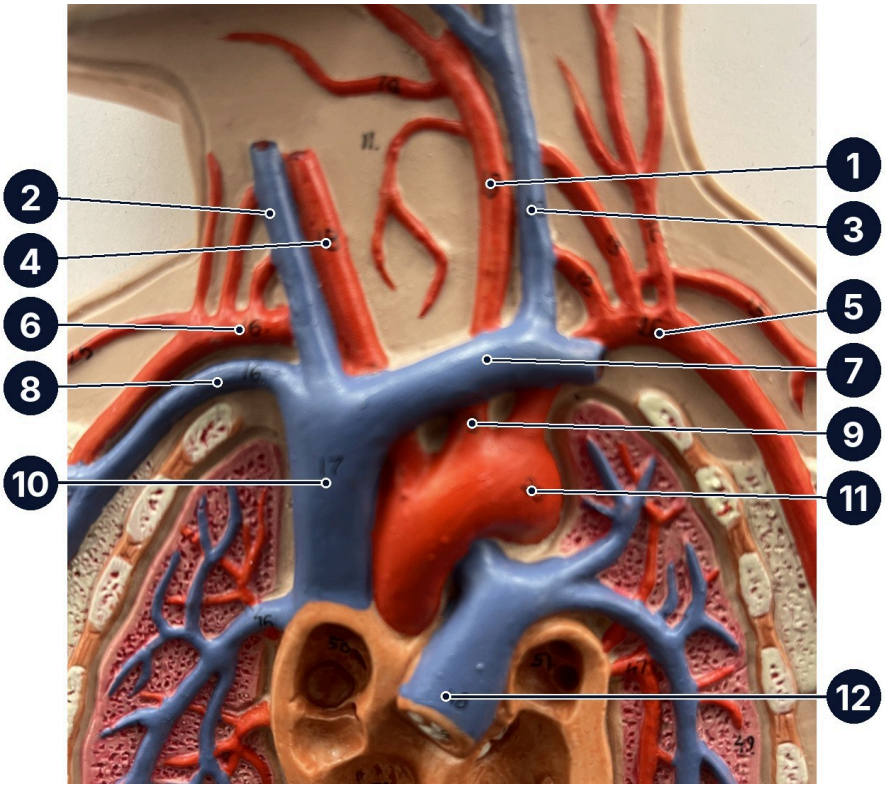

11 Name this part of the aorta.

12 Name this vessel.

Write each answer on its line with a dry-erase marker, then flip the card to check.

ANSWER KEY

Great vessels of the thorax, model

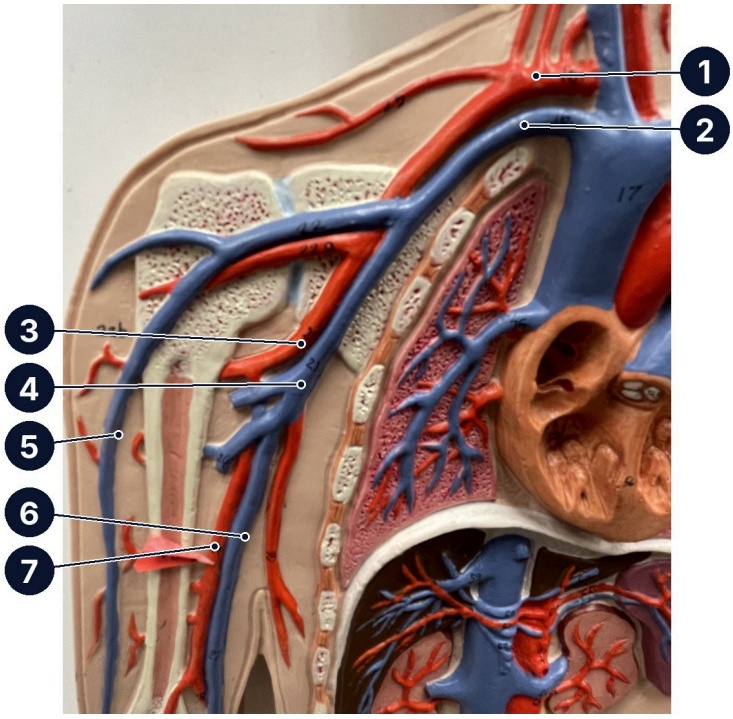

1. Name this artery.
   Left common carotid artery
2. Name this vein.
   Right internal jugular vein
3. Name this vein.
   Left internal jugular vein
4. Name this artery.
   Right common carotid artery
5. Name this artery.
   Left subclavian artery
6. Name this artery.
   Right subclavian artery
7. Name this vein.
   Left brachiocephalic vein
8. Name this vein.
   Right subclavian vein
9. Name this arterial arch.
   Aortic arch
10. Name this vein.
    Superior vena cava
11. Name this part of the aorta.
    Descending aorta
12. Name this vessel.
    Pulmonary trunk
