BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 1 · CADAVER LABELING

Leg, anterolateral (cadaver)

PRACTICE

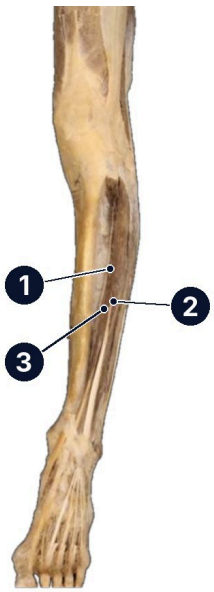

1. Name this muscle. _____
2. Name this muscle. _____

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 2 · CADAVER LABELING

Leg, anterolateral deeper (cadaver)

PRACTICE

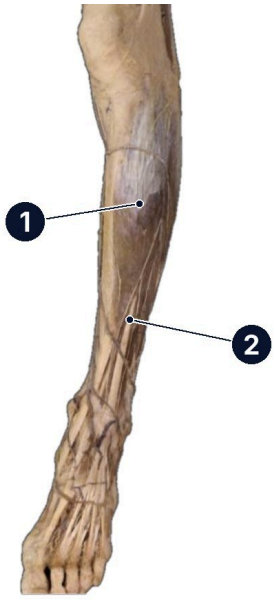

1. Name this vessel. _____
2. Name this muscle. _____
3. Name this nerve. _____

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 1 · CADAVER LABELING

Leg, anterolateral (cadaver)

ANSWER KEY

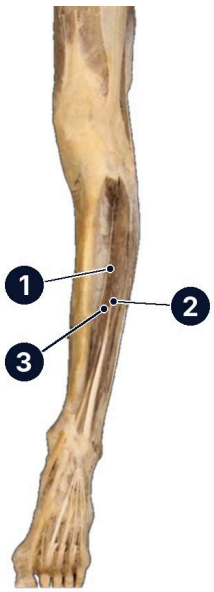

1. Name this muscle.
   Tibialis anterior
2. Name this muscle.
   Extensor digitorum longus

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 2 · CADAVER LABELING

Leg, anterolateral deeper (cadaver)

ANSWER KEY

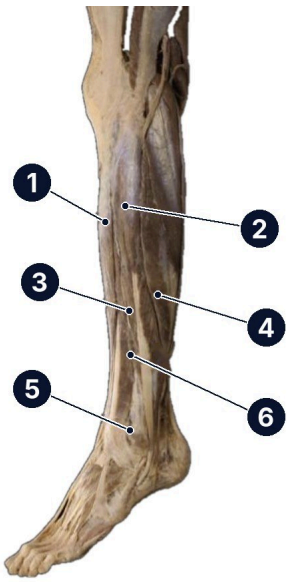

1. Name this vessel.
   Anterior tibial artery
2. Name this muscle.
   Extensor digitorum longus
3. Name this nerve.
   Deep fibular nerve

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 3 · CADAVER LABELING

Leg, lateral (cadaver)

PRACTICE

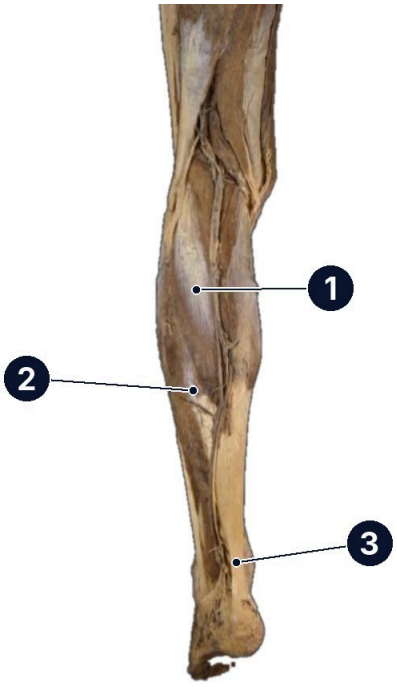

1. Name this muscle.
2. Name this muscle.
3. Name this nerve.
4. Name this muscle.
5. Name this muscle.
6. Name this muscle.

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 4 · CADAVER LABELING

Leg, posterior (cadaver)

PRACTICE

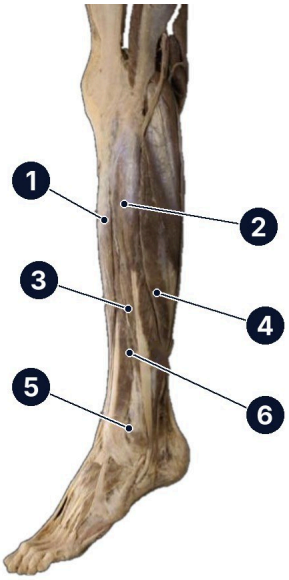

1. Name this muscle.
2. Name this muscle.
3. Name this tendon.

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 3 · CADAVER LABELING

Leg, lateral (cadaver)

ANSWER KEY

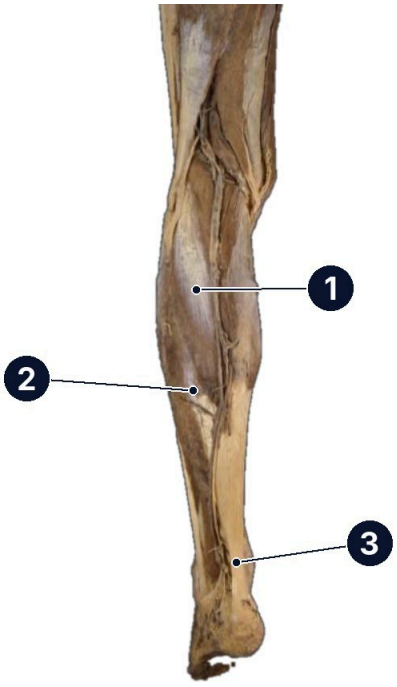

1. Name this muscle.
   Tibialis anterior
2. Name this muscle.
   Fibularis longus
3. Name this nerve.
   Superficial fibular nerve
4. Name this muscle.
   Soleus
5. Name this muscle.
   Extensor digitorum longus
6. Name this muscle.
   Fibularis brevis

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 4 · CADAVER LABELING

Leg, posterior (cadaver)

ANSWER KEY

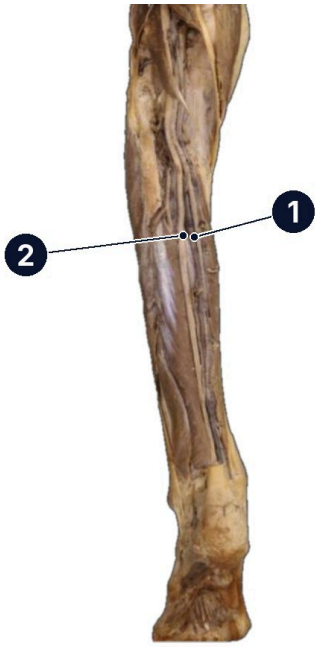

1. Name this muscle.
   Gastrocnemius
2. Name this muscle.
   Soleus
3. Name this tendon.
   Calcaneal tendon

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 5 · CADAVER LABELING

PRACTICE

Deep posterior leg (cadaver)

1. Name this vessel.

2. Name this nerve.

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 6 · MUSCLE AND ORIGIN, INSERTION, ACTION

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 5 · CADAVER LABELING

ANSWER KEY

Deep posterior leg (cadaver)

1. Name this vessel.
   Posterior tibial artery
2. Name this nerve.
   Tibial nerve

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 6 · MUSCLE AND ORIGIN, INSERTION, ACTION

ANSWER KEY

Muscle at the gold ring

1. Name the muscle at the gold ring.
   Tibialis anterior
2. Origin of this muscle?
   Lateral condyle and upper lateral surface of the tibia; interosseous membrane
3. Insertion of this muscle?
   Medial cuneiform and base of the first metatarsal
4. Action of this muscle?
   Dorsiflexes and inverts the foot

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 7 · MUSCLE AND ORIGIN, INSERTION, ACTION

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 8 · MUSCLE AND ORIGIN, INSERTION, ACTION

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 7 · MUSCLE AND ORIGIN, INSERTION, ACTION

ANSWER KEY

Muscle at the gold ring

1. Name the muscle at the gold ring.
   Gastrocnemius
2. Origin of this muscle?
   Medial and lateral condyles of the femur
3. Insertion of this muscle?
   Calcaneus through the calcaneal tendon
4. Action of this muscle?
   Plantarflexes the foot and flexes the knee

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 8 · MUSCLE AND ORIGIN, INSERTION, ACTION

ANSWER KEY

Muscle at the gold ring

1. Name the muscle at the gold ring.
   Fibularis longus
2. Origin of this muscle?
   Head and upper lateral surface of the fibula
3. Insertion of this muscle?
   Medial cuneiform and base of the first metatarsal (crossing under the foot)
4. Action of this muscle?
   Everts and plantarflexes the foot

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 9 · MUSCLE AND ORIGIN, INSERTION, ACTION

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 10 · MUSCLE AND ORIGIN, INSERTION, ACTION

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 9 · MUSCLE AND ORIGIN, INSERTION, ACTION

ANSWER KEY

Muscle at the gold ring

1. Name the muscle at the gold ring.
   Extensor digitorum longus
2. Origin of this muscle?
   Lateral condyle of the tibia, upper anterior fibula and interosseous membrane
3. Insertion of this muscle?
   Middle and distal phalanges of toes 2 to 5
4. Action of this muscle?
   Extends toes 2 to 5 and dorsiflexes the foot

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · LEG MUSCLES · CARD 10 · MUSCLE AND ORIGIN, INSERTION, ACTION

ANSWER KEY

Muscle at the gold ring

1. Name the muscle at the gold ring.
   Soleus
2. Origin of this muscle?
   Head and upper posterior fibula and the soleal line of the tibia
3. Insertion of this muscle?
   Calcaneus through the calcaneal tendon
4. Action of this muscle?
   Plantarflexes the foot

Check your answers, then wipe the front clean for the next round.

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

ANSWER KEY

Muscle at the gold ring

1. Name the muscle at the gold ring.
   Fibularis brevis
2. Origin of this muscle?
   Lower lateral surface of the fibula
3. Insertion of this muscle?
   Base (tuberosity) of the fifth metatarsal
4. Action of this muscle?
   Everts and plantarflexes the foot

Check your answers, then wipe the front clean for the next round.
