PRACTICE

Muscles of facial expression and mastication (model)

1. Name this muscle.

2. Name this muscle.

3. Name this muscle.

4. Name this muscle.

5. Name this muscle.

6. Name this muscle.

7. Name this muscle.

8. Name this muscle.

9. Name this muscle.

10. Name this muscle.

11. Name this muscle.

12. Name this muscle.

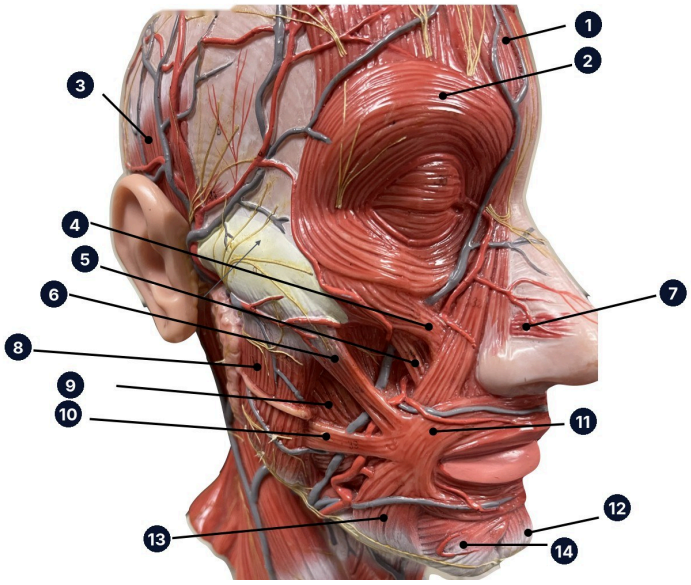

13. Name this muscle.

14. Name this muscle.

Write each answer on its line with a dry-erase marker, then flip the card to check.

ANSWER KEY

Muscles of facial expression and mastication (model)

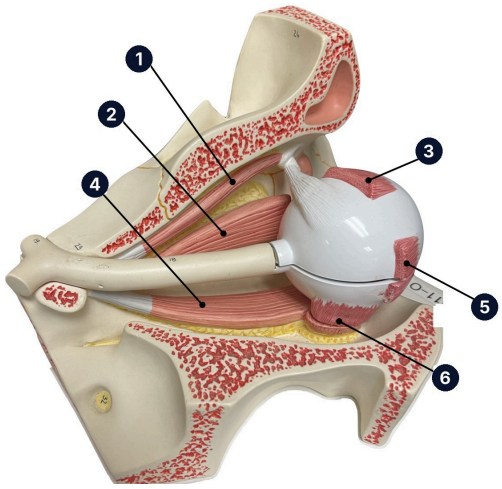

1. Name this muscle. **Frontalis**
2. Name this muscle. **Orbicularis oculi**
3. Name this muscle. **Temporalis**
4. Name this muscle. **Zygomaticus minor**
5. Name this muscle. **Levator labii superioris**
6. Name this muscle. **Zygomaticus major**
7. Name this muscle. **Nasalis**
8. Name this muscle. **Masseter**
9. Name this muscle. **Levator anguli oris**
10. Name this muscle. **Risorius**
11. Name this muscle. **Orbicularis oris**
12. Name this muscle. **Mentalis**
13. Name this muscle. **Depressor anguli oris**
14. Name this muscle. **Depressor labii inferioris**

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 2 · EYE MUSCLES

PRACTICE

Eye muscles, lateral view (model)

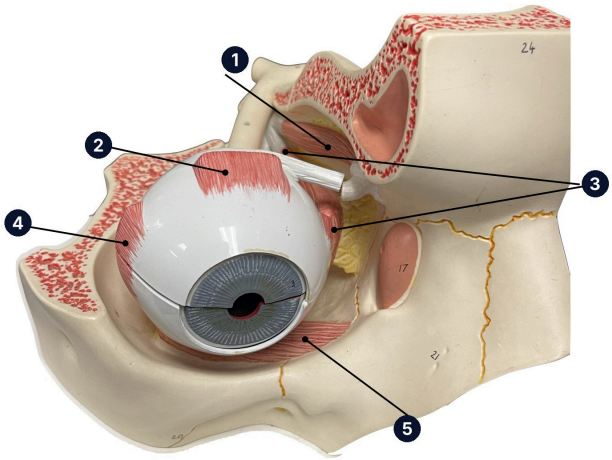

1. Name this muscle. _____
2. Name this muscle. _____
3. Name this muscle. _____
4. Name this muscle. _____
5. Name this muscle. _____
6. Name this muscle. _____

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 3 · EYE MUSCLES

PRACTICE

Eye muscles, anterolateral view (model)

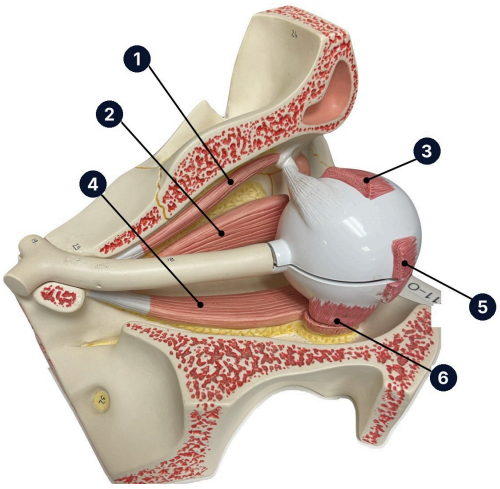

1. Name this muscle. _____
2. Name this muscle. _____
3. Name this muscle. _____
4. Name this muscle. _____
5. Name this muscle. _____

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 2 · EYE MUSCLES

ANSWER KEY

Eye muscles, lateral view (model)

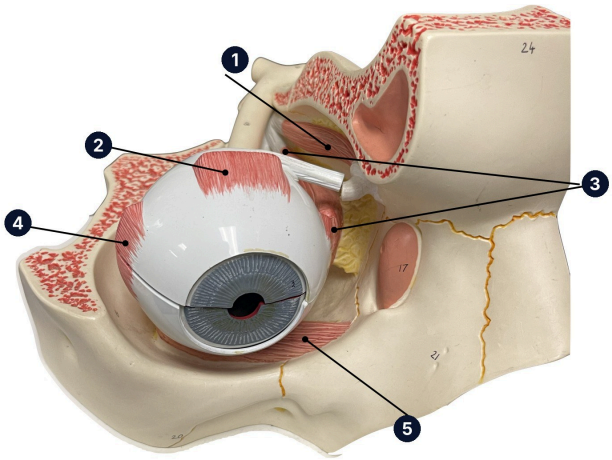

1. Name this muscle.
   Superior oblique
2. Name this muscle.
   Medial rectus
3. Name this muscle.
   Superior rectus
4. Name this muscle.
   Inferior rectus
5. Name this muscle.
   Lateral rectus
6. Name this muscle.
   Inferior oblique

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 3 · EYE MUSCLES

ANSWER KEY

Eye muscles, anterolateral view (model)

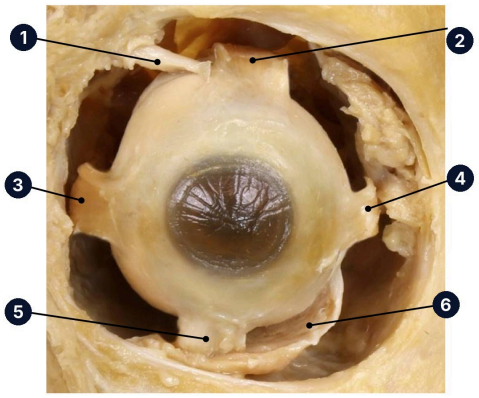

1. Name this muscle.
   Superior oblique
2. Name this muscle.
   Superior rectus
3. Name this muscle.
   Medial rectus
4. Name this muscle.
   Lateral rectus
5. Name this muscle.
   Inferior oblique

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 4 · EYE MUSCLES

PRACTICE

Eye muscles, anterior view (cadaver)

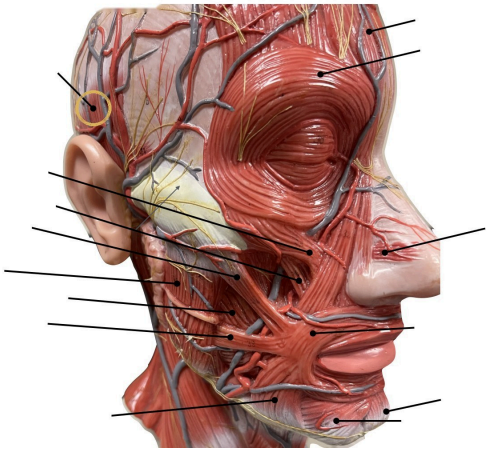

1. Name this muscle.
2. Name this muscle.
3. Name this muscle.
4. Name this muscle.
5. Name this muscle.
6. Name this muscle.

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 5 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

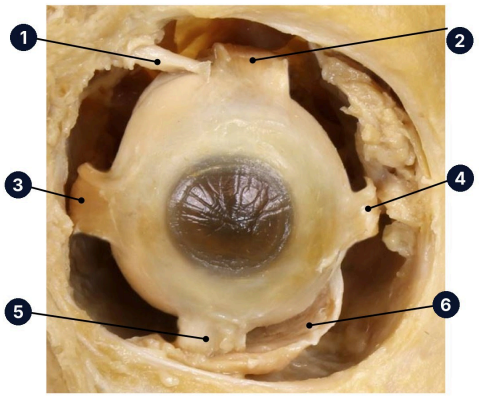

1. Name the muscle at the gold ring.
2. Origin of this muscle?
3. Insertion of this muscle?
4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 4 · EYE MUSCLES

ANSWER KEY

Eye muscles, anterior view (cadaver)

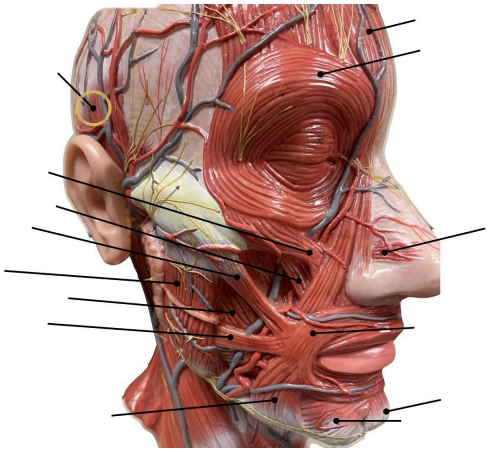

1. Name this muscle.
   Superior oblique
2. Name this muscle.
   Superior rectus
3. Name this muscle.
   Medial rectus
4. Name this muscle.
   Lateral rectus
5. Name this muscle.
   Inferior rectus
6. Name this muscle.
   Inferior oblique

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 5 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

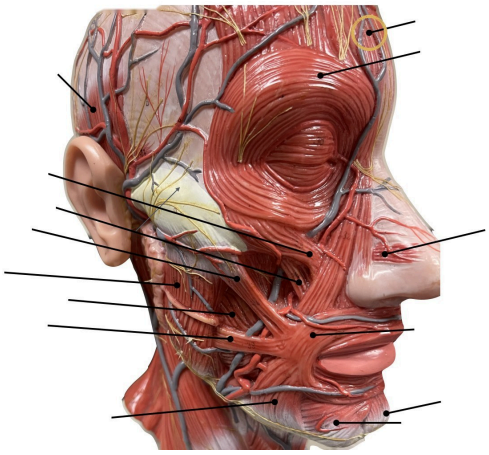

1. Name the muscle at the gold ring.
   Temporalis
2. Origin of this muscle?
   Temporal fossa of the skull
3. Insertion of this muscle?
   Coronoid process of the mandible
4. Action of this muscle?
   Elevates and retracts the mandible (closes the jaw)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 6 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

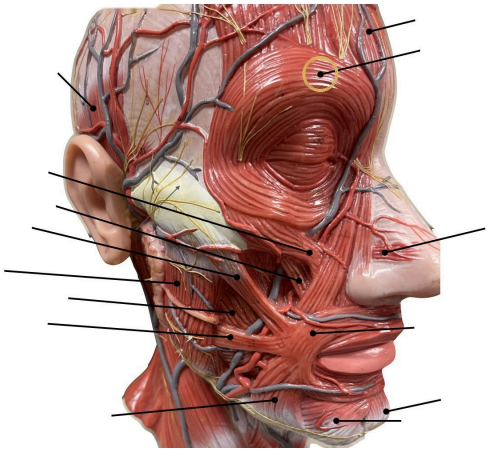

1. Name the muscle at the gold ring.
2. Origin of this muscle?
3. Insertion of this muscle?
4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 7 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

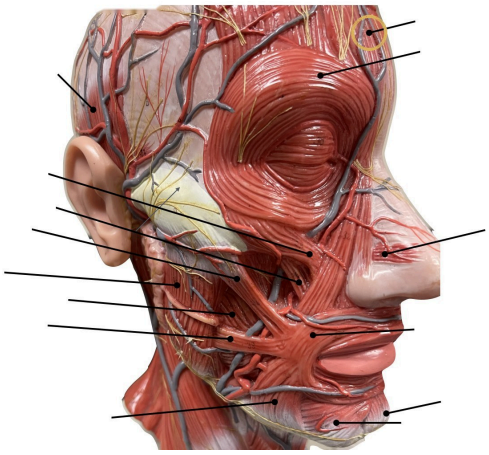

1. Name the muscle at the gold ring.
2. Origin of this muscle?
3. Insertion of this muscle?
4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 6 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

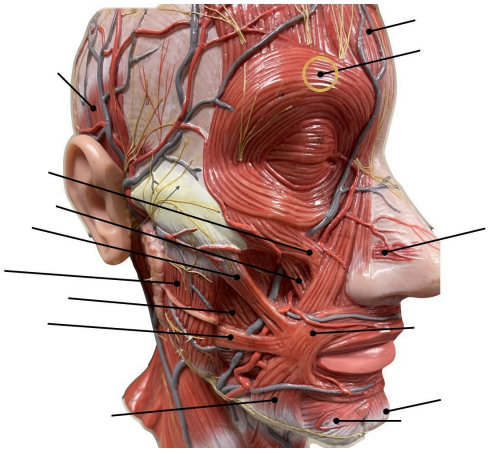

1. Name the muscle at the gold ring.
   Frontalis
2. Origin of this muscle?
   Galea aponeurotica (epicranial aponeurosis)
3. Insertion of this muscle?
   Skin of the eyebrows and forehead
4. Action of this muscle?
   Raises the eyebrows and wrinkles the forehead

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 7 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

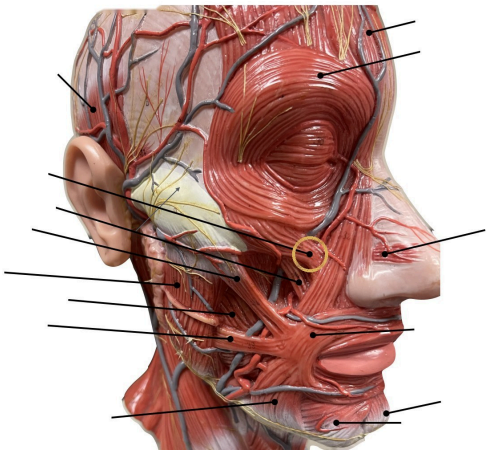

1. Name the muscle at the gold ring.
   Orbicularis oculi
2. Origin of this muscle?
   Frontal and maxillary bones along the medial edge of the orbit
3. Insertion of this muscle?
   Skin around the eye; the fibers circle the orbit and eyelids
4. Action of this muscle?
   Closes the eye (blinking and squinting)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 8 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

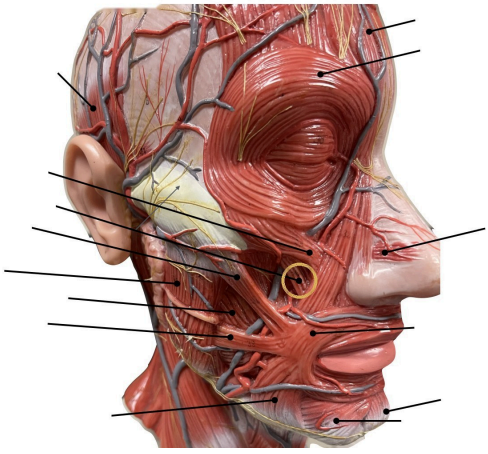

1. Name the muscle at the gold ring.
2. Origin of this muscle?
3. Insertion of this muscle?
4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 9 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

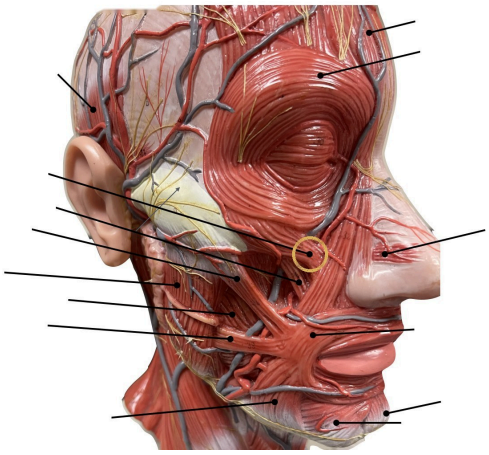

1. Name the muscle at the gold ring.
2. Origin of this muscle?
3. Insertion of this muscle?
4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 8 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

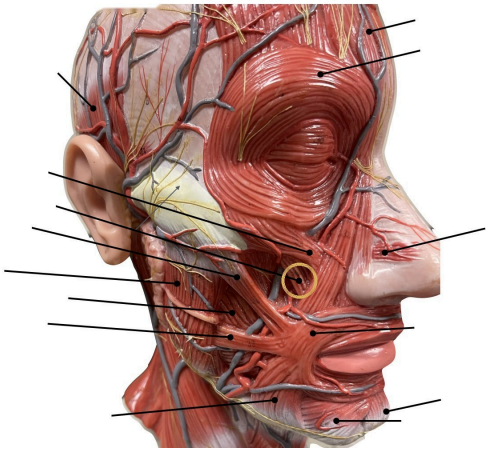

1. Name the muscle at the gold ring.
   Zygomaticus minor
2. Origin of this muscle?
   Zygomatic bone
3. Insertion of this muscle?
   Upper lip
4. Action of this muscle?
   Raises the upper lip

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 9 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

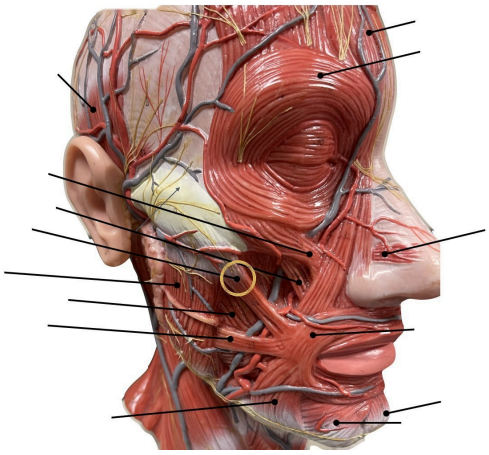

1. Name the muscle at the gold ring.
   Levator labii superioris
2. Origin of this muscle?
   Maxilla, just below the orbit
3. Insertion of this muscle?
   Skin and muscle of the upper lip
4. Action of this muscle?
   Raises the upper lip

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 10 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

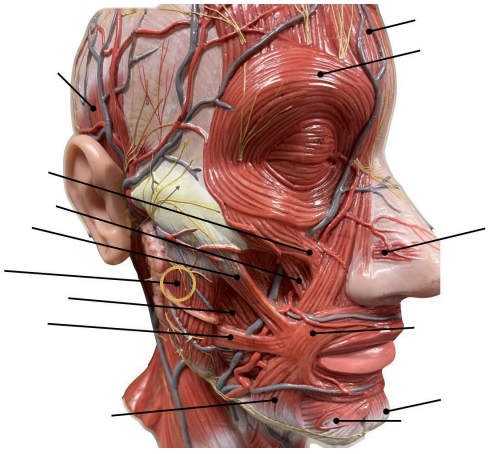

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 11 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

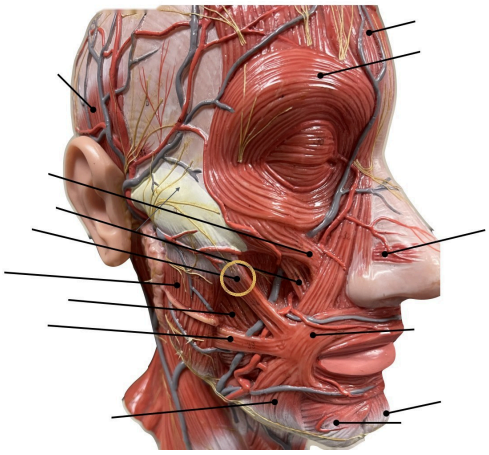

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 10 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

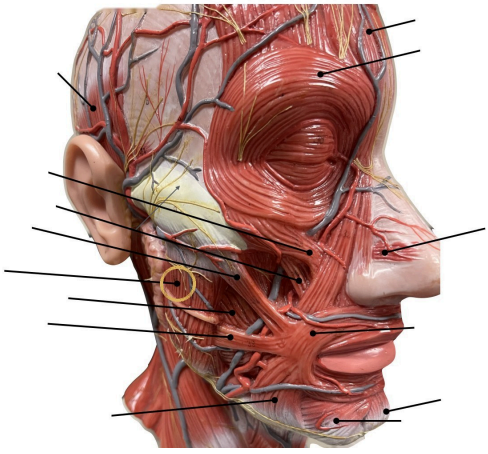

1. Name the muscle at the gold ring.
   Zygomaticus major
2. Origin of this muscle?
   Zygomatic bone
3. Insertion of this muscle?
   Corner of the mouth
4. Action of this muscle?
   Pulls the corner of the mouth up and out (smiling)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 11 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

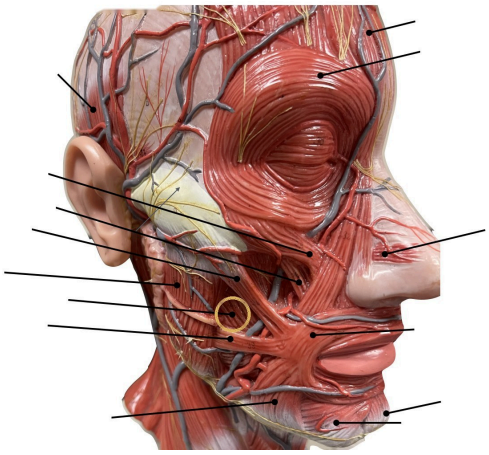

1. Name the muscle at the gold ring.
   Masseter
2. Origin of this muscle?
   Zygomatic arch
3. Insertion of this muscle?
   Angle and ramus of the mandible
4. Action of this muscle?
   Elevates the mandible (closes the jaw)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 12 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

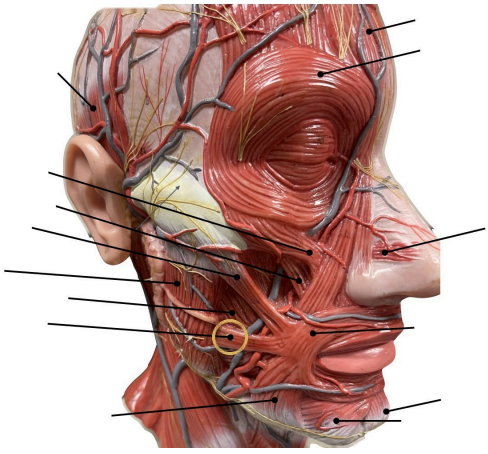

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 13 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

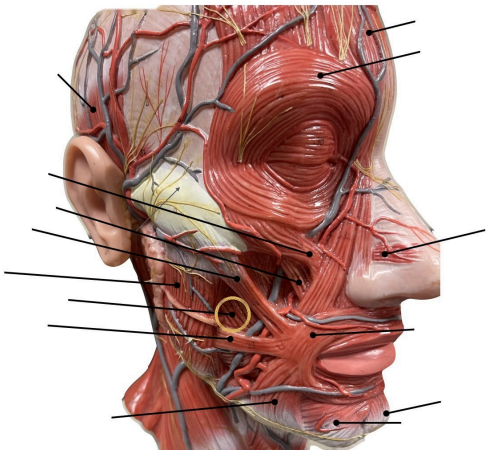

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 12 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

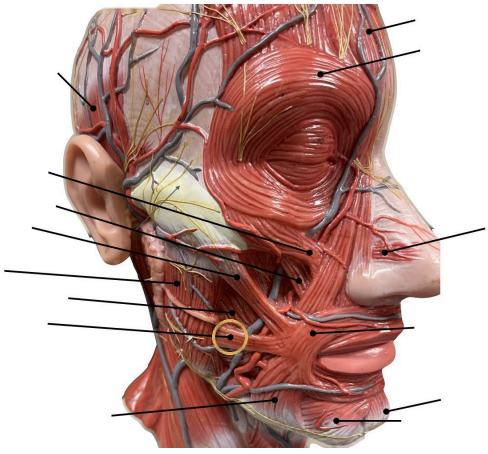

1. Name the muscle at the gold ring.
   Levator anguli oris
2. Origin of this muscle?
   Maxilla, below the infraorbital foramen
3. Insertion of this muscle?
   Corner of the mouth
4. Action of this muscle?
   Raises the corner of the mouth

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 13 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

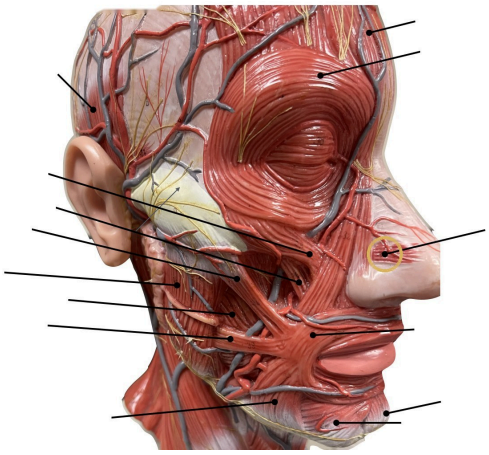

1. Name the muscle at the gold ring.
   Risorius
2. Origin of this muscle?
   Fascia over the masseter
3. Insertion of this muscle?
   Corner of the mouth
4. Action of this muscle?
   Pulls the corner of the mouth sideways (tight-lipped grin)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 14 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

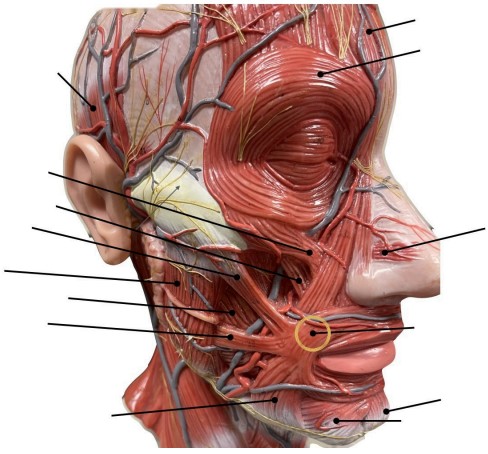

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 15 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

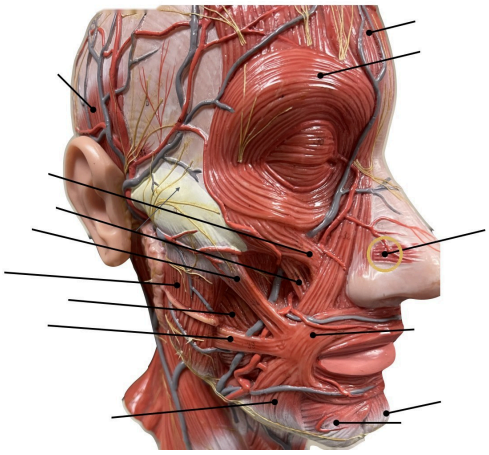

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 14 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

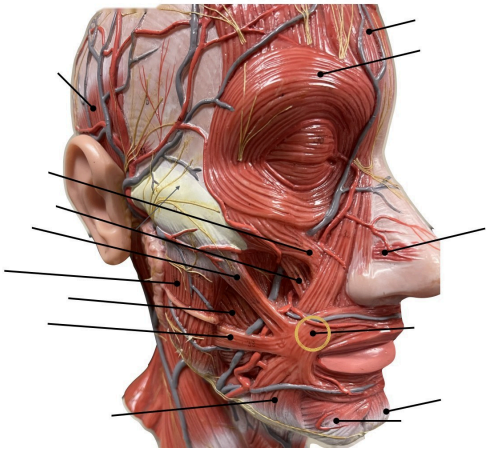

1. Name the muscle at the gold ring.
   Nasalis
2. Origin of this muscle?
   Maxilla
3. Insertion of this muscle?
   Cartilage of the nose
4. Action of this muscle?
   Compresses or flares the nostrils

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 15 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

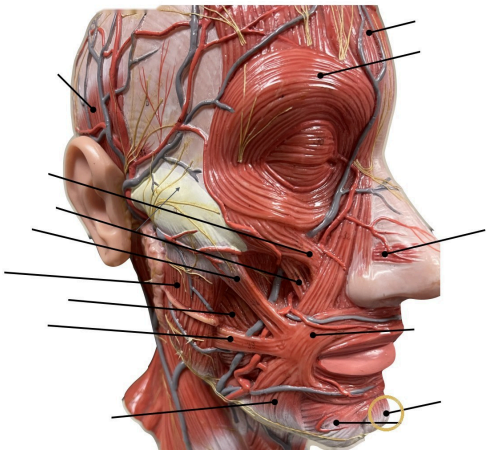

1. Name the muscle at the gold ring.
   Orbicularis oris
2. Origin of this muscle?
   Maxilla and mandible near the midline, and muscle fibers around the mouth
3. Insertion of this muscle?
   Skin and mucous membrane of the lips
4. Action of this muscle?
   Closes and purses the lips

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 16 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

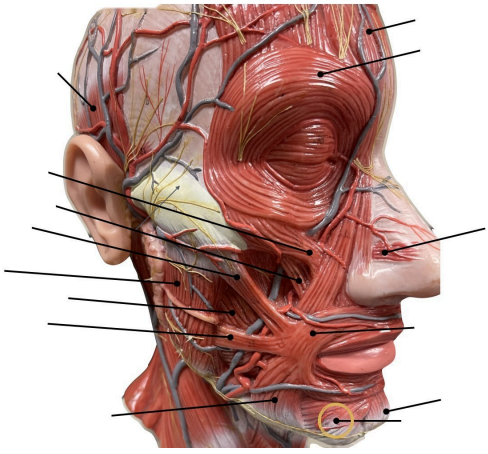

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 17 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

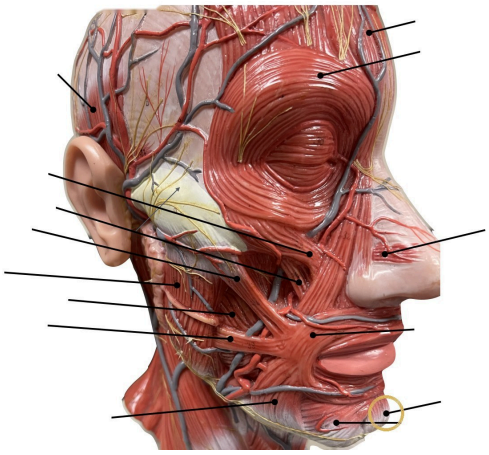

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 16 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

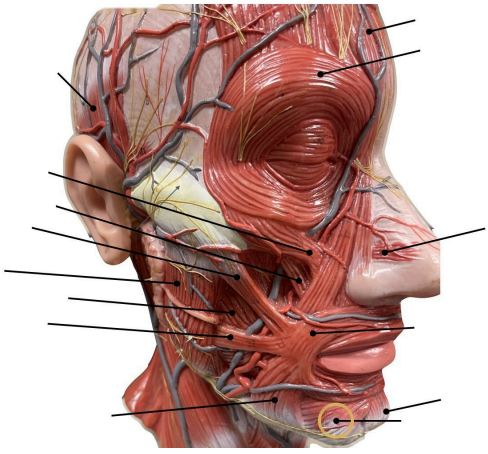

1. Name the muscle at the gold ring.
   Mentalis
2. Origin of this muscle?
   Mandible, below the lower incisors
3. Insertion of this muscle?
   Skin of the chin
4. Action of this muscle?
   Raises and wrinkles the chin and pushes the lower lip out (pouting)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 17 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

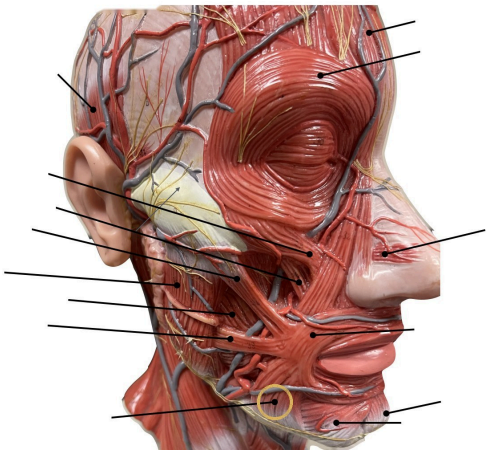

1. Name the muscle at the gold ring.
   Depressor labii inferioris
2. Origin of this muscle?
   Mandible, between the chin and the mental foramen
3. Insertion of this muscle?
   Skin of the lower lip
4. Action of this muscle?
   Pulls the lower lip down

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 18 · FACE AND JAW: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

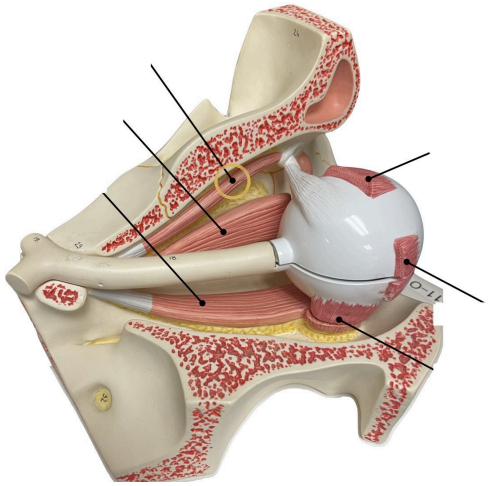

1. Name the muscle at the gold ring.
2. Origin of this muscle?
3. Insertion of this muscle?
4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 19 · EYE: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

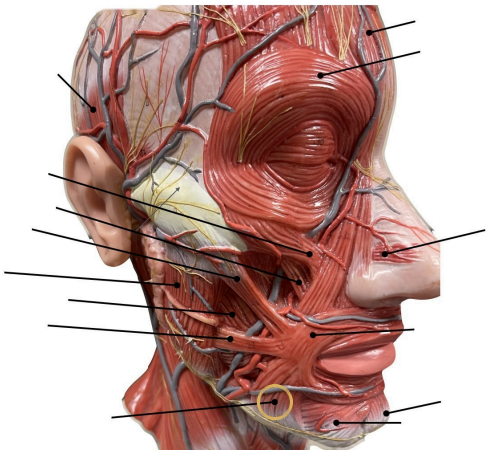

1. Name the muscle at the gold ring.
2. Origin of this muscle?
3. Insertion of this muscle?
4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 18 · FACE AND JAW: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

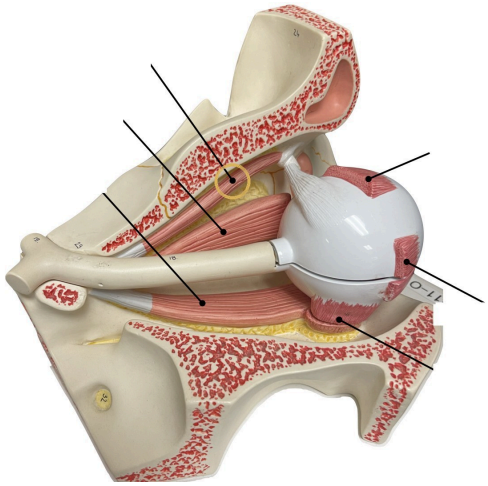

1. Name the muscle at the gold ring.
   Depressor anguli oris
2. Origin of this muscle?
   Mandible (lower border)
3. Insertion of this muscle?
   Corner of the mouth
4. Action of this muscle?
   Pulls the corner of the mouth down (frowning)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 19 · EYE: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

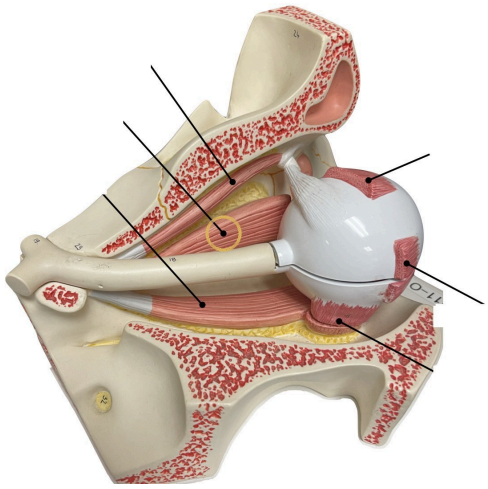

1. Name the muscle at the gold ring.
   Superior oblique
2. Origin of this muscle?
   Sphenoid bone at the back of the orbit; its tendon runs through the trochlea (pulley)
3. Insertion of this muscle?
   Posterior, superolateral eyeball
4. Action of this muscle?
   Moves the eye down and out; rotates it inward

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 20 · EYE: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

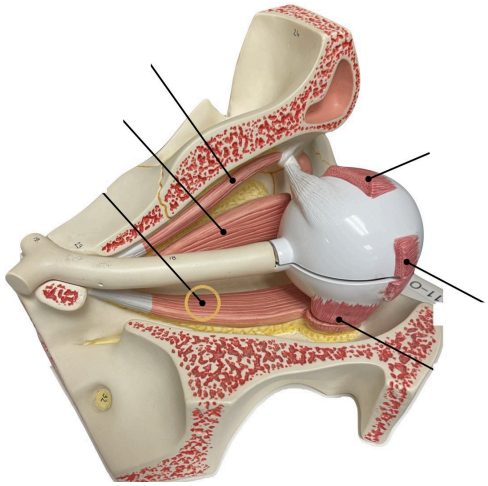

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 21 · EYE: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

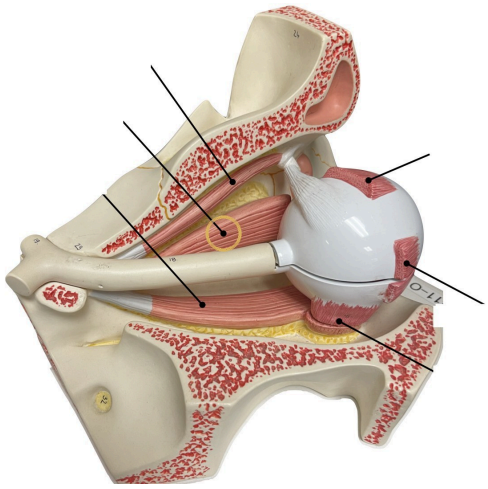

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 20 · EYE: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

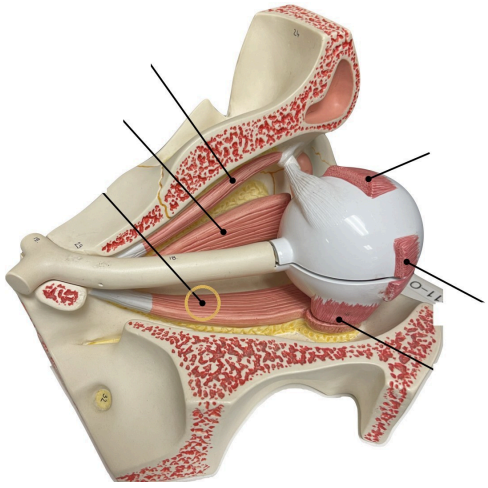

1. Name the muscle at the gold ring.
   Medial rectus
2. Origin of this muscle?
   Common tendinous ring
3. Insertion of this muscle?
   Medial surface of the eyeball
4. Action of this muscle?
   Moves the eye toward the nose (adducts)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 21 · EYE: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

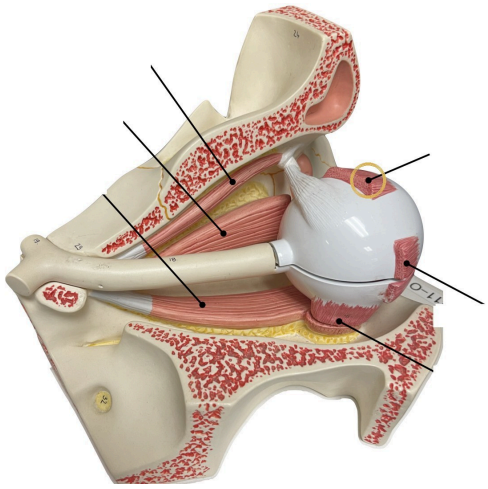

1. Name the muscle at the gold ring.
   Inferior rectus
2. Origin of this muscle?
   Common tendinous ring
3. Insertion of this muscle?
   Inferior surface of the eyeball
4. Action of this muscle?
   Moves the eye down (depresses)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 22 · EYE: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

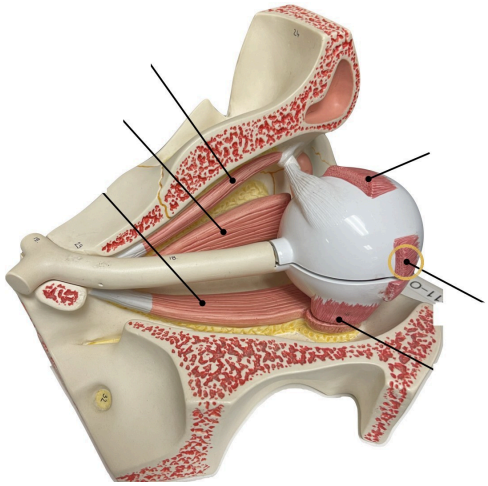

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 23 · EYE: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

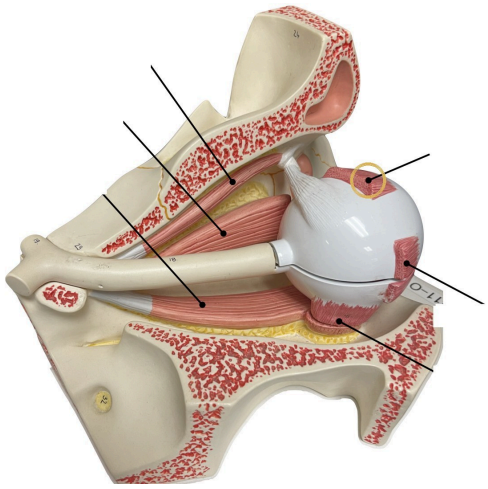

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 22 · EYE: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

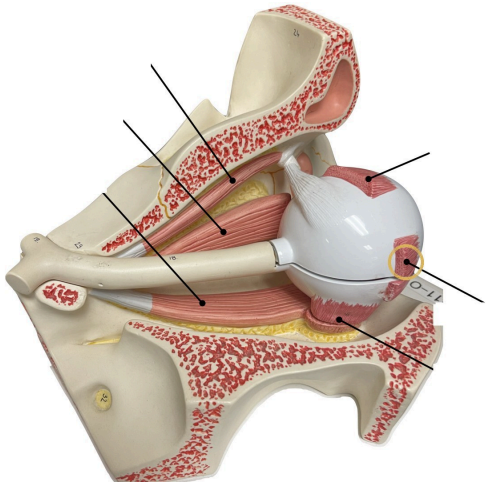

1. Name the muscle at the gold ring.
   Superior rectus
2. Origin of this muscle?
   Common tendinous ring at the back of the orbit
3. Insertion of this muscle?
   Superior surface of the eyeball (sclera)
4. Action of this muscle?
   Moves the eye up (elevates)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 23 · EYE: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

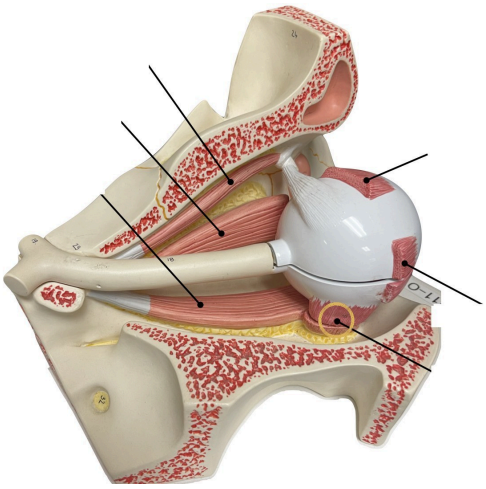

1. Name the muscle at the gold ring.
   Lateral rectus
2. Origin of this muscle?
   Common tendinous ring
3. Insertion of this muscle?
   Lateral surface of the eyeball
4. Action of this muscle?
   Moves the eye out to the side (abducts)

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 24 · EYE: ONE MUSCLE AT A TIME

PRACTICE

Muscle at the gold ring

1. Name the muscle at the gold ring.

2. Origin of this muscle?

3. Insertion of this muscle?

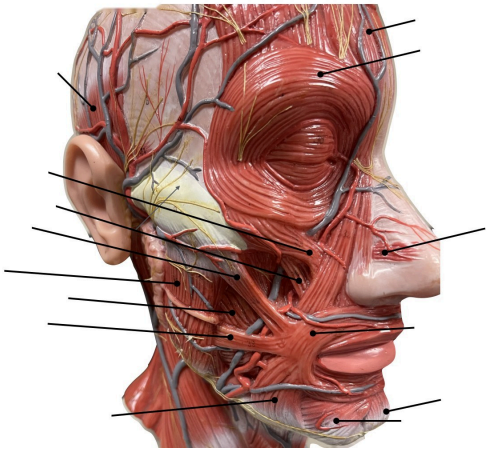

4. Action of this muscle?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 25 · NERVES BY GROUP

PRACTICE

Nerves to the face and jaw muscles

1. Which nerve supplies all the muscles of facial expression?

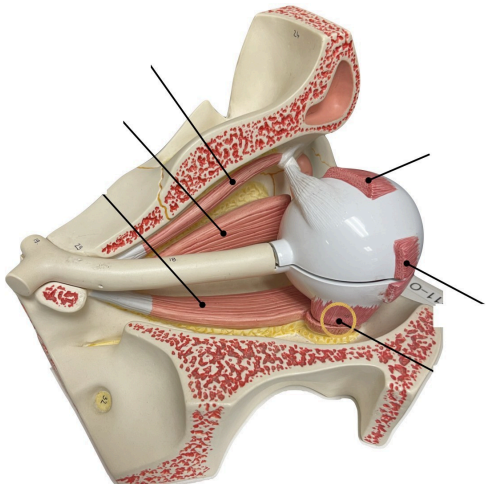

2. Which nerve supplies the muscles of mastication (temporalis and masseter)?

Write each answer on its line with a dry-erase marker, then flip the card to check.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 24 · EYE: ONE MUSCLE AT A TIME

ANSWER KEY

Muscle at the gold ring

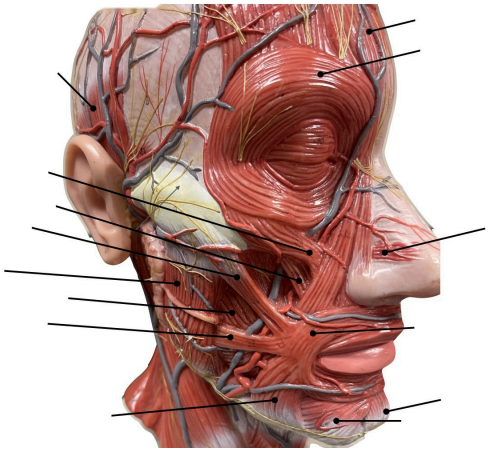

1. Name the muscle at the gold ring.
   Inferior oblique
2. Origin of this muscle?
   Floor of the orbit (maxilla), near the front
3. Insertion of this muscle?
   Posterior, inferolateral eyeball
4. Action of this muscle?
   Moves the eye up and out; rotates it outward

Check your answers, then wipe the front clean for the next round.

BIO 004 ANATOMY ATLAS · HEAD MUSCLES: FACE, JAW AND EYE · CARD 25 · NERVES BY GROUP

ANSWER KEY

Nerves to the face and jaw muscles

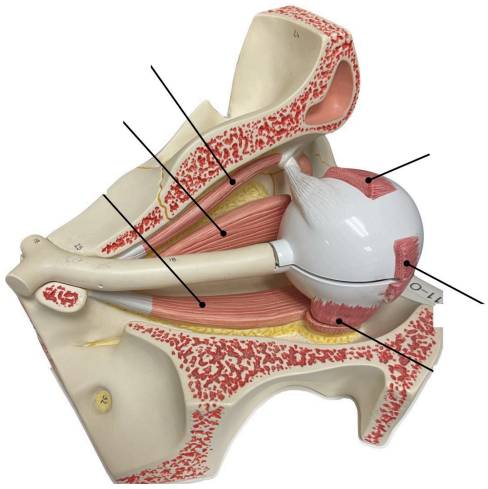

1. Which nerve supplies all the muscles of facial expression?
   Facial nerve (CN VII)
2. Which nerve supplies the muscles of mastication (temporalis and masseter)?
   Trigeminal nerve, mandibular division (CN V3)

Check your answers, then wipe the front clean for the next round.

PRACTICE

Nerves to the eye muscles

1. Which nerve supplies the lateral rectus?

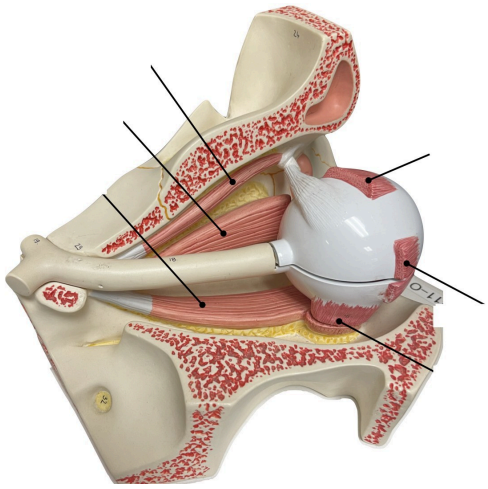

2. Which nerve supplies the superior oblique?

3. Which nerve supplies the other four eye muscles?

Write each answer on its line with a dry-erase marker, then flip the card to check.

ANSWER KEY

Nerves to the eye muscles

1. Which nerve supplies the lateral rectus?
   Abducens nerve (CN VI)
2. Which nerve supplies the superior oblique?
   Trochlear nerve (CN IV)
3. Which nerve supplies the other four eye muscles?
   Oculomotor nerve (CN III)

Check your answers, then wipe the front clean for the next round.
